Outsourcing Your Success!

SERVICES AT A GLANCE

CLINICAL SITE PAYMENTS

Keep your study centers active and enrolling with accurate and timely study payments!

PRC provides global management and distribution of clinical study payments.

Our customized system provides efficient tracking of contracted payment triggers and generates study center payments with easy to read, itemized Statements for your sites.

Outsourced independently or to streamline existing studies, PRC bridges clinical and finance with tools for budget tracking and accrual reporting.

TRIAL MANAGEMENT

Choose niche support or bundle CRO services for a full service approach to study management.

By combining our services and training, PRC reduces the start-up timeline and moves your studies toward quickly achieving enrollment goals.
